IC 20-27-11-2

Transportation cost; student living on state owned property

Sec. 2. (a) Except as provided in subsection (b), a student who resides on state owned property and attends a public school away from the student's residence shall be furnished transportation in a public school bus to and from the student's residence and the public school the student attends. Expenses for the transportation shall be paid out of the state general fund, without further appropriation, on allowance by the state superintendent.

(b) This section does not apply to students who reside on property owned by Indiana University, Purdue University, Ball State University, or Indiana State University.

IC 20-27-11-3

Transportation cost; high school student

Sec. 3. (a) If a school corporation does not maintain or operate a high school and a high school student who resides in the school corporation is transferred to attend a high school in a contiguous school corporation, the governing bodies of the school corporations may enter into an agreement for the transportation of the student.

(b) The agreement under subsection (a) must specify that the transportation shall be provided by the receiving school corporation and that the costs of transportation shall be paid by the transferring school corporation out of the school corporation's special school funds. The costs of transportation shall be calculated from the per capita cost for each student transported and shall be mutually agreed upon by both governing bodies. Payment of transportation charges shall be made at the same time and in the same manner as payments of transfer tuition are made for transferred students.

As added by P.L.1-2005, SEC.11.

IC 20-27-11-4**Transportation cost; contracts**

Sec. 4. The governing body of a school corporation that transfers a student to another school corporation may contract with the receiving corporation for the provision of transportation costs for the transferred student.
